

## Summary of Continuum of Care Performance Outcomes in California [as reported by 32 CoCs]

Sources of Income for People Leaving Homeless Programs

HomeBase summarized the performance outcome data of supportive services, Transitional Housing, and Permanent Supportive Housing funded through the HUD Homeless Assistance Programs. These averages are based on data submitted by 32 CoCs in their 2006 Exhibit Ones. Income sources are recorded for participants leaving HUD-funded programs. Uniform data on income sources or of benefit eligibility of participants upon entry into the HUD-funded programs are not collected.
