

Join us for the first webinar in a three-part series on cross-system collaboration between health and homeless systems of care.

## Webinar: Introduction to Homeless Response & Coordinated Entry

Date: August 25, 2021, 11:30 - 12:30 am PST

### [Register for the webinar](#)

Coordinated Entry (CE) is the process each community sets up to ensure people experiencing or at risk of homelessness are prioritized for resources based on severity of need. Hosted by the [California Health Care Foundation](#) and [Homebase](#), this webinar is designed for a health care audience. It will provide an overview of the CE process, including opportunities for cross-system coordination between the health and homeless systems of care.

The webinar will feature:

- A welcome by California Health Care Foundation – Michelle Schneidermann
- Coordinated Entry 101 - Gillian Morshedi, Directing Attorney, Homebase
- Opportunities to ask questions about the basics of homeless response systems and Coordinated Entry

### [Upcoming webinars](#)

- Engaging the Health Care Sector in Coordinated Entry – Sept. 2021
- Communities in Action: Sharing Data Across Health and Homeless Systems of Care – Sept. 2021
